INTRODUCERE

Notatii:

B2B - sistemul de rezervari al Agentiei KUSADASI (servicii turistice ale agentiei KUSADASI)

B2B WORLD - sistem de rezervari PAXIMUM (hoteluri in intreaga lume)

PAXIMUM este un motor de cautare hoteluri in intreaga lume, conectat la cele mai importante sisteme de cautare. Ce are in plus Paximum fata de celelalte motoare de cautare este ca are si preturile agentiilor locale de turism, existand astfel posibilitatea gasirii celor mai mici preturi sau a disponibilitatilor atunci cand e STOP SALE

IMPORTANT:

- Preturile pe care le gasiti sun NETE - nu se cedeaza comision
- Nu veti gasi preturi pe hotelurile care fac parte din pachetele AGENTIEI DE TURISM KUSADASI
- Se poate face rezervare fara plata daca rezervarea NU se afla in perioada de penalizare.
- Daca sunteți in perioada de penalizare se poate face rezervare NUMAI cu plata online, direct pe site. Atentie la conditiile de penalizare care se afiseaza.
- Se emite voucher de PAXIMUM.
- Puteti sa va setati comisionul pe care il doriti pentru revanzare la turist. Se va afisa pretul final.
- Puteti cauta hotelurile apropriate de locatia solicitata de client, cu mentionarea distantei dintre cele 2.
- Tot ce emiteti prin B2B-WORLD se va factura de catre KUSADASI si veti plati la KUSADASI (exceptie cand faceti plata online)
- Toate rezervarile le veti regasi si in B2B.

ACCESARE:

The screenshot shows the homepage of www.kusadasi.ro. A large yellow arrow points to the "B2B WORLD" button located in the top right corner of the header. The header also includes the "AGENȚIA DE TURISM KUSADASI" logo, navigation links like "Home", "Program aeroporturi", "Orar charter", etc., and social media icons. Below the header is a promotional banner for "CHARTER" packages to Kusadasi, Bodrum, and Marmaris, featuring prices from 262€ to 329€. To the right of the banner is a sidebar titled "Oferta zilei" with a section for "Early booking Turcia". A small "ED" watermark is visible in the bottom right corner of the page.

In linkul **B2B WORLD** de pe site-u www.kusadasi.ro se acceseaza motorul de cautare Paximum [https://kusadasi.paximum.com/](http://kusadasi.paximum.com/), cu aceleasi user si parola primite pentru **B2B**-ul agentiei de turism Kusadasi.

Status: Available / On Request: (Disponibile / La cerere): Daca o camera este disponibila, sistemul da automat confirmare; dar daca statusul unei camere este la cerere, furnizorul trebuie sa dea raspuns in 24h.

Room Amenities: Toate tipurile de camere pot fi vizualizate cu nume diferite, in functie de furnizorul serviciilor Paximum. Camerele de tipul Twin, Double, Standard indica in general o camera obisnuita, standard.

Board: Denumirile tipurilor de masa de asemenea difera in functie de furnizor; daca vedeti multe tipuri de mic dejun, le puteti considera pe toate fiind ca mic dejun inclus, de tipul "BB"

Conditions: Aceasta coloana indica conditiile de anulare. Unii furnizori arata aceste conditii in prima lista, altii nu; de aceea trebuie sa faceti click pe butonul "?" pentru a verifica conditiile de anulare.

Price: Pretul este net si ceea ce rezervi, atat platesti; exista o slaba posibilitate ca furnizorul sa modifice tarifele in acelasi timp si tariful sa se schimbe la ultimul pas al rezervarii, dar sistemul va va atentiona si va va intreba daca acceptati sau nu.

Add Offer: Aceasta unealta iti permite sa colectezi unele oferte, de la hoteluri diferite ce au in oferta piscina si posibilitatea de a le trimite clientilor tai oferta sub antetul companiei tale.

Map: Poti vedea hotelul exact localizat pe harta.

Facilities:

Hotel Informations: Pe pagina cu rezultate, poti primi mai multe informatii incluzand descrierii sau informatii detaliate. Va rog sa retineti, informatiile despre hoteluri sunt adunate de la mai multi furnizori si pot contine informatii neactualizate.

Gallery: Imaginele cu hotelul pot fi vazute in galerie. Aceste imagini pot sa nu reflecte ultimile noutati despre toate tipurile de camere sau facilitati.

- Payment:** Make payment.
- Confirmation:** Print out your voucher and tickets (highlighted).

Congratulations: Thank you! Your reservation number is [redacted]. Please keep this in your reference in the future requests. You may get your voucher by clicking here. **GET YOUR VOUCHER**

Confirmation: butonul " Get your Voucher" va aparea doar pentru rezervarile disponibile. Daca statusul rezervarii este confirmat, veti putea vizualiza/printa voucherul pentru hotel. Voucherul pentru rezervarile la cerere poate fi vizualizat / printat doar dupa confirmare. Voucherul pentru hotel include informatii pentru rezervare, despre turisti, despre conditiile de anulare, observatii despre rezervare, localizarea hotelului pe harta si detalii de contact pentru urgente. Daca doresti sa-ti monitorizezi rezervarile, le poti gasi accesand butonul " Profile Settings" din partea de sus a paginii sau in sectiunea My Bookings.

The screenshot shows the Paximum dashboard. At the top, there are navigation links for 'Dashboard', 'Hotels', and 'Flights'. To the right of these are icons for notifications (0), language (UK), and profile settings. A sidebar on the left contains several filter options, some of which are highlighted with an orange box: 'Booking Confirmed (Last 7 Days)', 'Booking Confirmed (Last 30 Days)', 'Check-in Date (next 7 days)', 'Check-In Date (next 30 days)', 'Bookings about to incur cancellation charges (next 7 days)', and 'Bookings about to incur cancellation charges (next 30 days)'. The main panel displays a list of bookings.

Atunci cand doriti anularea rezervarii, dati print Voucher-ului, vedeti invoice&receipt (primire factura) si 4 butoane portocalii apar in dreapta liniei de rezervare.

This screenshot shows a detailed view of a booking. The booking information includes: 7125, emrah.tirak, 16/06/2016, EMRAH, 17/06/2016, 18/06/2016, Tulip Inn Budapest Millennium, Confirmed, 16/06/2016, 39.93 EUR. Below this, there is a row of four orange rectangular buttons, each with a different icon: a file, a person, a document, and a cancel symbol. A small 'Cancel' button is located at the bottom right of this row.

Atentie! puteti anula rezervarea doar cu botonul Cancel din casuta din dreapta; daca anularea este cu penalizare, veti fi intrebat daca sunteți sigur ca vreti anularea. Daca anularea se poate face fara penalizari, nu veti fi facturat pentru penalizare. Daca doriti sa faceti o modificare va rugam sa contactati departamentul Paximum pentru vanzari si rezervari la adresa sales@paximum.com sau la numarul de telefon: +908507770729. De asemenea, cererile de grup le puteti transmite direct catre departamentul de vanzari si rezervari.

PROFILE SETTINGS

My Profile: informatiile despre companie le gasiti in sectiunea "My profile" si va puteti adauga o marja de profit peste tarifele nete.

Markup Tool: Atentie! In mod obisnuit tarifele dvs sunt nete si nu este nevoie sa folositi aceasta functie, decat daca vreti sa vizualizezi si clientul final oferta. Daca stabiliti o marja de profit, toate tarifele vor fi majorate ca atare si puteti finaliza rezervarea cu cartea de credit a clientului. Daca procedati astfel, vi se va returna de catre Paximum profitul stabilit dupa check-out-ul turistului. Este foarte important sa dezactivati marja de profit dupa ce finalizati rezervarea; in caz contrar, toate tarifele vor fi majorate cu marja de profit respectiva.

This screenshot shows two main sections of the Paximum interface: 'MY PROFILE' and 'CREATE MARKUP'.

- MY PROFILE:** This section displays company information for 'AAA1' (DOSY10AAAAAA). It includes fields for 'ABOUT PAXIMUM', 'CONNECT' (with links to website, email, and phone number), and a 'CREATE MARKUP' button.
- CREATE MARKUP:** This section allows users to define a markup rule. It includes fields for 'Name', 'Country' (All Country), 'Destinations' (All Destination), 'Hotels' (PISB), 'Board Types' (All BoardTypes), 'Booking Lead Time' (0), 'Min Stay Length' (1), 'Max Stay Length' (99), 'Markup Value' (empty), 'Markup Unit' (Select a Unit), and 'Markup Type' (Select Type). There are also dropdowns for 'Sales Date From' and 'Sales Date To', and checkboxes for 'Min Check-in Date' and 'Max Check-in Date'.
- MARKUP LIST:** This section lists existing markup rules. The columns include: Role, Status, Name, Destinations, Hotels, Board Types, Sales Date From, Sales Date To, Min Check-in Date, Max Check-in Date, Booking Lead Time, Min Stay Length, Max Stay Length, Markup Value, Markup Unit, and Markup Type. A search bar and a 'Search Term' button are also present.

Name: Denumeste marja de profit in acest camp.

Country: Marja de profit poate fi definita pe tari.

Destination: Marja de profit poate fi definita diferit pe destinatii dintr-o tara. Daca dati click pe semnul "+" din dreptul butonului pentru destinatii, puteti selecta mai multe destinatii pentru aceeasi regula de profit. intai trebuie sa selectati tara si apoi destinatia.

Hotels: Marja de profit poate fi definita pe hotel. Daca dati click pe semnul "+" din dreptul butonului pentru hoteluri, puteti selecta mai multe hoteluri pentru aceeasi regula de profit.

Board Types: marja de profit poate fi definita in functie de tipul de masa. Daca dati click pe semnul "+" din dreptul butonului pentru tipul de masa, puteti selecta mai multe tipuri de masa pentru aceeasi regula de profit.

Country/Destination/Hotels/Board Types: Aceasta selectie nu este obligatorie. Daca totusi selectati pe oricare dintre ele, in acest fel ati definit o marja de profit pe tara.

Sales date from/Sales date to: Puteti stabili perioada de vanzare pentru oferte cu o anumita marja de profit. Daca nu selectati nici o data, sistemul va stabili termene lungi de vanzare.

Min Check in/Max check in Date: Puteti stabili perioada de check-in - check-out. Daca nu selectati nici o data, sistemul va crea perioade lungi de check-in / check-out.

Booking Lead Time: se stabileste option date pentru marja de profit.

Min Stay Length: Se poate defini numarul minim de nopti pentru o anumita marja de profit

Max Stay Length: Se poate defini numarul maxim de nopti pentru o anumita marja de profit

Important: daca nu vreti sa folositi optiunile specificate, trebuie sa completati doar "markup name, markup value, markup unit, markup type" si sa salvati.
