The screenshot displays the KUSADASI system interface. At the top, a dark red header contains navigation icons and the text "TEST WEB / OANA" and "MENU". Below this, the "YOUR PROFILE" section lists user details: Market (RO-RO ROMANIA KUSADASI), Operator (KUSADASI TRAVEL), Office (KUSADASI IANCU backoffice), Agency Name (TEST WEB (AG000)), User Name (OANA (OANA)), and Password (Change Password). A "CREDIT LIMIT" section shows a balance of -4.467,60 EURO / 100,00 EURO with an "Add More Credit" link. A left sidebar menu includes "HOME", "RESERVATION / A.MONITOR", "MANAGEMENT TOOLS" (with "ADMIN PANEL" highlighted), "OPERATION TOOLS", and "REPORTS". A "LOGOUT" button is at the bottom left. The main content area is titled "ADMIN PANEL" and features a red header with "HOME > ADMIN PANEL", a "KUSADASI" logo, and navigation icons. It contains two tables: "AGENCIES" and "USERS". The "AGENCIES" table has one entry for "AG000" with location "BUCURESTI". The "USERS" table lists five users: CATAIRINA, CRISTI, ELENA, OANA, and VLAD. A yellow callout box explains that the "Menu/Management tools/Admin panel" is used for agency administration. Red boxes highlight the "Add New Agency" and "Add New User" buttons, and a blue box highlights the "ADMIN PANEL" menu item with an arrow pointing to the main content area.
